

# *The Best Part Of Me*

*The part of me is my heart I like my heart because it keeps me healthy and strong and it helps me make the right choices. I can love deeply with my heart. With my heart I can live my life and be a better person like Jesus. Without my heart I wouldn't be able to love my family like I do. I wouldn't be able to care and love the people around me or play in the playground with my friends. I wouldn't change anything about my heart because it's what makes me a caring person.*
